PRESIDENT'S REPORT

by Graeme J Taylor, President

Our next meeting will be the Annual General Meeting on 15 October where we will adopt the Financial Reports, appoint Office Bearers and Committee of Management. Guest speaker at our AGM will be Geoff Lockwood, Public Lands Manager from Cardinia Environment Coalition who will be speaking about Beaconsfield Nature Conservation Reserve (Old Beaconsfield Reservoir). We look forward to Geoff's presentation.

The Association has lodged a submission regarding the recently released draft of the Beaconsfield Structure Plan. We appreciate the comprehensive information from Belinda Powell, Senior Strategic Planner Cardinia Shire Council and her staff and await the finalisation of the Structure Plan.

We have commenced a review of our existing Statement of Purpose and Rules and Regulations in view of changes needed to comply with the

Associations Incorporation Reforms Act 2012(Vic). It is proposed to utilise Model Rules provided by PilchConnect and adding certain provision previously included in our Constitution. It is proposed to have a draft document forwarded to members for review prior to our next meeting (AGM). Any further changes can then be made and it is proposed to adopt new Association Rules at the November 2013 meeting.

One item extensively discussed during this process has been the need for a petrol station in Beaconsfield. Not so long ago we had two service stations but now we need to travel to Berwick or Officer. We need to investigate this issue.

CEO 4C's

Christmas is fast approaching and with that comes the huge demand for assistance with Christmas hampers and toys from the disadvantaged and working poor within our shire. 4C's last year provided 1000 hampers and expects to do the same again this year.

We would be very pleased if many within the community could start thinking about perhaps making donations of Christmas items such as shortbreads, mince pies, Christmas puddings and cakes, drinks, or even

food items such as long life milk, cereal, can peas, canned spaghetti, long life custard, etc that could be included in the hampers. If however you would like to donate toys please keep in mind the older children within the ages of 8-12 years. It would be great if local community groups could consider supporting the hampers. Also if there are those who would like to volunteer packing the hampers this would also be appreciated, just ring the reception at 4C's on 59412268 and leave your name and phone number and we will be in contact.

The Cardinia Shire community is a fantastic caring community for those less fortunate and we have appreciated and continue to appreciate all the terrific support our Crisis Relief Centre receives and has

received over the years. Also please remember that the centre is open 5 days a week providing food, counselling, crisis accommodation, no interest loans, assistance paying utility bills, phone and rent arrears, Christmas hampers and toys, education programs in cooking and budgeting, material aid for those that are struggling financially.

We also operate a great charity store next to our main centre. Our address is 5/114 Princes Highway, Pakenham just behind La Porchettas in Pakenham.

Beaconsfield Nature Conservation Reserve – Overview

The Cardinia Environment Coalition (CEC) has been appointed as the Committee of Management by the Department of Environment and Primary Industries (DEPI) to administer the management for Beaconsfield Nature Conservation Reserve (BNCR). All of the public land reserves managed by are located on the traditional country of the Boonwurrung Nation and Bunurong people; part of the Kulin alliance of Aboriginal Nation.

The reserve encompasses the closed catchment of the now decommissioned Beaconsfield Reservoir; which was supplied via an open aqueduct from the Tarago

Reservoir near Neerim South. Much of the infrastructure associated with the water storage remains intact within the reserve, and together with the Haunted Gully gold diggings, is listed on the Victorian Heritage Register. The reserve totals 172 Hectares and comprises the main reservoir catchment block and the smaller Haunted Gully block, south of the reservoir.

The reserve is significant for its natural heritage values and contains substantial threatened flora and threatened plant species. Threatened fauna species recorded in the reserve include three bird species, and one

amphibian species. Over thirty bird species have been recorded; and five native mammal species. There is a diversity of plant species including a range of native orchids represented.

Access to the reserve for passive recreation activities such as bushwalking, photography, and wildlife watching is encouraged and can be arranged by contacting the CEC.

Management responsibilities for CEC include pest animal and weed control; asset maintenance; project development; engagement with the local community; and enabling appropriate visitor access. Risk management for fire

within the reserve is the responsibility for DEPI and BNCR is now included in the Port Phillip fire operations plan. Members of the local community have the opportunity and are encouraged to become involved with the management activities; and to provide input into development projects within the reserve.

Cardinia Shire Council - Emergency Water Tanks To Help Keep Residents Fire Safe

Four new emergency water tanks have been installed in high fire-risk areas across Cardinia Shire. Council has collaborated with the Country Fire Authority (CFA) to provide the 30,000 litre concrete tanks. The new tanks are located in Beaconsfield (Payne Road), Upper Beaconsfield (corner of Dickie and Carpenter roads), Cardinia (E Gunton Recreation Reserve) and Cora Lynn (Cora Lynn Recreation Reserve).

The tanks have been strategically positioned in locations which currently have limited or no piped water supply. They complement the existing thirteen tanks already installed in high fire-risk areas across the municipality. Cardinia Shire Mayor Cr Brett Owen said the tanks will reduce the impact of a fire emergency on Cardinia Shire residents and

Cr Owen urged residents in bushfire prone areas of the Shire to implement or review their bushfire survival plan and prepare their property in readiness for the 2013/14 bushfire season. "The 'fire ready kit' on the CFA website www.cfa.vic.gov.au is an excellent resource," Cr Owen said. "Summer is just around the corner, and we want everyone to stay safe. It's crucial residents and organisations in high-risk areas are ready for the very real risk of bushfires."

Election Commitments

by Jason Wood MP
Member for LaTrobe

I am delighted to be able to contribute to the Beaconsfield Banner once again as the Federal Member for LaTrobe.

Following a long and tiring election campaign I am honoured to have been re-elected as your representative in the House of Representatives and look forward to serving the constituents of my electorate. During the campaign I made two specific election commitments which will affect the residents of Beaconsfield and the surrounding area.

Firstly, I have committed to the Beaconsfield Nature Conservation Reserve (BNCR) which will be one of the first sites nationally to benefit under the Coalition's Green Army program. The project will establish a trail network within the BNCR suitable for mountain bike riders and walkers. The site is adjacent to the Officer scout camp and Lysterfield Park which is a well-known mountain bike destination.

Secondly, a Federal Coalition Government will allocate \$1.5 million to enable completion of the Insight specialist primary school for blind and vision impaired students on the Berwick campus of Monash University. While there are six schools for deaf and hearing impaired students in Melbourne and a number of specialist schools for students with other disabilities, there is no school in Melbourne specialising in the education of blind and vision impaired students.

In conclusion I would like to thank all those who supported me during the recent election campaign and I look forward to representing all the constituents of LaTrobe.

TABLE TENNIS

The Monday table tennis group invited Mayor Brett Owen, Cr. Tania Baxter and Cr. Leticia Willmot to join them in a game of Table Tennis. This was to celebrate some new tables for the group, which was much needed. Table Tennis has become very popular lately.

KNITTING CIRCLE GROUP

The Councillors then paid a quick visit to the knitting circle ladies who had their second handover of items, knitted and crocheted, for the 4C's in Pakenham. Mayor Owen tried on a knitted scarf, a beanie and had fun with a knitted snake, which caused a moment of sheer delight by all in attendance.

With 16 ladies in the knitting group, the 4C's representative, Rebecca Judd, was pleased with the circles many hours of work. To date the knitters have made: Scarves -36, Beanies -147, Rugs - 17, Booties - 40, Toys - 5 and Mittens - 7.

These things will go to the under privileged in our shire.

A huge thank you to Cr. Tania Baxter, Cr. Brett Owen and Cr. Leticia Willmot for their contributions

Camp at Coolamatong

During September, our Yr 5/6 children enjoyed a wonderful camp at Camp Coolamatong, near Paynesville.

Going on school camp is one of the most enriching, wonderful and memorable experiences for any kid: being away from mum and dad for a few days, sharing experiences and making memories, duty groups – camp food and sharing meals, even sneaking a mid-night snack. Then there were the activities such as a boat trip to the Ninety Mile Beach, swimming, geocaching, bush cooking, survival skills, unicycles and torch games at night!

A big thank you to all of the teachers and parents who made this camp possible!

Netball Team Shines!

Congratulations to Kye R, Bailey G, Alex K, Jonathon H, Josh P, Brodie S, Charlotte P, Shaylan S, Tahlia D and Hannah M who competed in the State Schools Netball Championships at Jells Park. They emerged 3rd overall in the State after competing undefeated at District and Regional level. Their parents, teachers and peers are proud of them, not only for their unparalleled achievement, but for their amazing team play and sportsmanship.

Beaconsfield Market Night

Beaconsfield Primary School celebrates its 5th Annual Market Night on the 24th of October. Over 100 stalls provide shoppers with an amazing range of products for all tastes; an excellent opportunity for pre-Christmas shopping. It's a great family night featuring a jumping castle, mobile animal farm, demonstrations from our local scouts, face painting, balloon characters and lots of local produce and wares.

The food stalls are fantastic value with everything from a simple sausage sizzle to gourmet pizza's, Dutch profitjes, ice-creams and fresh hot coffee!

For those looking for a bargain, try your hand at the silent auction; the prizes are fantastic. There are raffles too for those who fancy a flutter! There will be student displays and performances to enjoy too.

The market runs from 6:00p.m. to 9:00p.m. completely undercover! Entry is only \$2.00 per

an adult and \$1.00 per child. All funds raised will be directed to new playground equipment. There are still a few stalls available – enquiries to: beacypsmarket@hotmail.com

I would like to thank them for representing our school so ably. I extend thanks to Jess Beilby; teacher and coach and to Nat Szybkowski as parent helper too!

OVER THE FENCE

by I. Cole

Many months ago one of my offerings to the banner was called A FEW GOOD MEN and was almost a call to arms for us, the community, to get involved.

Two of the men in this article, Phil Collins and Tony Rushton, are unfortunately no longer with us in person but still in memory. To this day I still polish Tony's plaque at the market when I pass it.

The third man of course was and is DAVID MORLAND, very much alive and well and still *going like a steam train* as he pounds the pavement.

My initial encounters with David occurred as he walked

past our house, pounding the pavement while I was outside slowly fixing years of neglect or on the ride-on trying to bash the long grass in the paddock and to the station into order. An observation is that this is much harder to do with people than a bunch of weeds. David and I easily developed a friendship which included his lovely wife Anne and as Yvonne and I slowly integrated into the community I attended an odd meeting of The Progress Association and who was involved as an office bearer none other than our David.

Think Anzac Service think

David, think Christmas Carols think David, think the greater community think David.

I am not suggesting the above and the other areas of David's involvement were his and his alone, simply that David was involved and committed to 3807 our community.

As we know, the elders of the church have a rotation system and we are losing David and Anne from the community. The farewell gathering at the Church between services was well attended and the car park was full, another great reason to ride a motor bike because you can park it at the front door anywhere, even a Baptist Church. Part of the farewell was a slide / video presentation of just a portion of the things David and Anne were

committed to and involved in. It was an eye opener and tear bringer.

Our loss is another community's gain and we can only hope that David and Anne are as warmly welcomed into their new beachside community as they were here. Luckily for 3807 we have many other families like the Taylors and Boons to name just two who put in more than their fair share for us.

THE STEAM TRAIN HAS LEFT THE STATION let's all hope the tracks are clear and it has an easy run down the line.

SIXTY YEARS and COUNTING

submitted by Howard Guscott

The 'McLean Brothers' musical extravaganza were featured at the Pleasant Winter Sunday Afternoon held at Beaconsfield Baptist Church on 16 June 2013.

These fantastic musicians presented a wonderful afternoon of Popular, Inspirational, Traditional and Gospel Music. Peter and Stephen McLean have been presenting music on the grand piano and xylophone for more than sixty years, and thoroughly mesmerized the audience with the way they presented an awesome selection of songs. There was also a first: the boys playing a piano duet in public for the first time, which was enjoyed immensely

by the audience. The variety and styles of music satisfied all age groups.

Families also came and enjoyed a wonderful musical afternoon. Everyone joined in and sung heartily some of the Great Hymns of Faith that are not sung so much in Church these days, and thoroughly enjoyed themselves.

Our next Pleasant Sunday Afternoon, will be held on 27 October 2013, when we will feature 'RINGSPIRATION' Handbell Choir, and a brother and sister duo, Tiarne and Jayden Bestenbreur, who are a real 'X factor' act.

The programme starts at 2:30pm, with NO ADMISSION CHARGE, but a donation towards the expenses would be appreciated.

AFTERNOON TEA IS PROVIDED at the end of the program, which wraps up around 4:30pm.

THERE IS ACCESS TO ALL AREAS FOR PERSONS WITH DISABILITIES.

This is A COMMUNITY MUSIC EVENT, and enquiries may be directed to: Peter Brown 0428 178 413

ATO INCOME TAX COMPLIANCE

During July 2013 the Australian Taxation Office (ATO) released its annual "Compliance in Focus" plan on areas of Compliance. The plan is the focus for compliance during the 2013/14 year and includes the following:

1. For individuals the focus is on fraudulent returns, failure to declare income or making incorrect claims for deductions and tax offsets.

2. Employers are scrutinised for correct reporting of PAYG withholding and Fringe Benefits, correct treatment of persons as employees or as contractors and compliance of superannuation guarantee obligations.

3. Businesses operating as Trusts are being targeted by the newly established Trust Taskforce. In addition

the disclosure of Capital Gains events and claiming of business concessions is on the ATO plan.

4. Compliance of GST activities will focus on mining, wholesale trade, manufacturing, financial and insurance services as well as usual integrity checks on GST refunds and reporting of GST on real estate transactions.

It is most important for individuals and businesses to have your accounting and taxation records in order and be able to meet compliance checks by the ATO. Further information is available on Compliance in Focus 2013-14 at ato.gov.au. Always discuss with your accountant.

Community Safety Fund

by Brad Battin, Member for Gembrook

The Beaconsfield Neighbourhood Centre is among three local community groups to benefit from the latest round of the Victorian Coalition Government's.

Recently I joined the Minister for Crime Prevention, Edward O'Donohue, in Upper Beaconsfield to announce three new Community Safety Fund grants to better protect local groups from thieves and vandals.

The grants provide local organisations with the resources they need to protect their assets, which are often achieved through fundraising and the hard work of volunteers.

Local recipients were:

* The Beaconsfield Neighbourhood Centre, which has received \$918 to fund the installation of blinds and a lockable door to prevent break-ins.

* The Upper Beaconsfield Recreation Reserve Committee, which has received \$8288 for the installation of security lights, locks and an alarm system at the Upper Beaconsfield Recreation Reserve.

Mayor Brett Owen, Beaconsfield Upper Primary School Principal Nick Karanzoulis, Member for Gembrook Brad Battin, Minister for Crime Prevention Edward O'Donohue, Mrs Annika Enell from Cardinia Civic Concert Band and Upper Beaconsfield Recreation Reserve Secretary Mr Nick Fabien, and Beaconsfield Upper School Captains at the Community Safety Fund announcements.

* The Cardinia Civic Concert Band has received \$1,315 for a lockable steel cupboard to safely store the band's equipment and sound system.

Through the Community Safety Fund, grants of up to \$10,000 are awarded to councils, community, sporting and business groups and local state government schools to implement practical community safety projects.

This includes projects such as installing security lighting, padlocks, security screens and fencing, or undertaking awareness activities to deter crime and increase community safety. The Victorian Coalition Government has now awarded more than \$2.8 million to support 422 local crime prevention projects under the three rounds of the Community Safety Fund grants program.

It will be held from 9am -2pm at the Beaconsfield Baptist Church
Cnr Old Princes Hwy and Desmond Crt
Mel ref 214 A2
Free entry

Also craft supplies available - beads, egg decorating, paper tole, card making, scrapbooking, wooden items. **PLANT AND PRODUCE STALL, FACE PAINTING and Light Refreshments** available.

This is a day with something for everyone and a good place to catch up for a cuppa with a friend. Our famous "knitted farm" will be on display once again and enjoyed by all ages. (pictured above)

This year we will have **CRAFT DEMONSTRATIONS**. Come along and see how to make embroidered cards, beaded candle holder (make and take), serviette pictures, beaded angels and other craft ideas.

MAKE AND MINGLE is a friendship and craft group that meets every Wednesday 10am-12 noon during school term at the Beaconsfield Baptist Church, corner Old Princes Hwy and Desmond Court.

Fourth term we will have "Christmas craft time." There will be lots

of wonderful Christmas card ideas to make as well as Christmas gifts and decorations.

We have ceramic decorations of all designs to paint including Christmas trees, angels and reindeer. There is also "one-step decoupage" technique that can be used on the ceramics. You could also make a table decoration or a patchwork table runner. Cards can be made in so many ways with paper tole, stamping, punching, paper craft, metallic ribbon weaves and serviette pictures. Come along for ideas and a time of sharing and learning.

We have knitting and crochet, embroidery and patchwork, as well as beadwork.

We are still collecting and trimming postage stamps which are sold to stamp dealers and raise money for missions. With less and less mail having postage stamps we are in need of more stamps, so please save yours from your mail and drop them into the church.

You are always welcome to call in at any time for a cuppa and a chat during the morning.

BARNES DRIVE

by A. Taylor

Photo courtesy Barnes family

BARNES DRIVE in Guys Hill is named after the Barnes family who farmed in the Quamby Road area, Beaconsfield.

Renselier William Barnes married Alice Sheriff (Pictured above) They had 8 children - William, Nellie, Frank, James, Lily, Lillie,

Charles & Minnie and many of their descendants still live in this area today.

Renselier Barnes was born on 18/5/1871 in Berwick and lived in Tasmania for the earlier part of his life. He married Alice Sheriff born 24/11/1882 and they had their first child in Tasmania and then came to Victoria where Renselier worked as a farmer on his property.

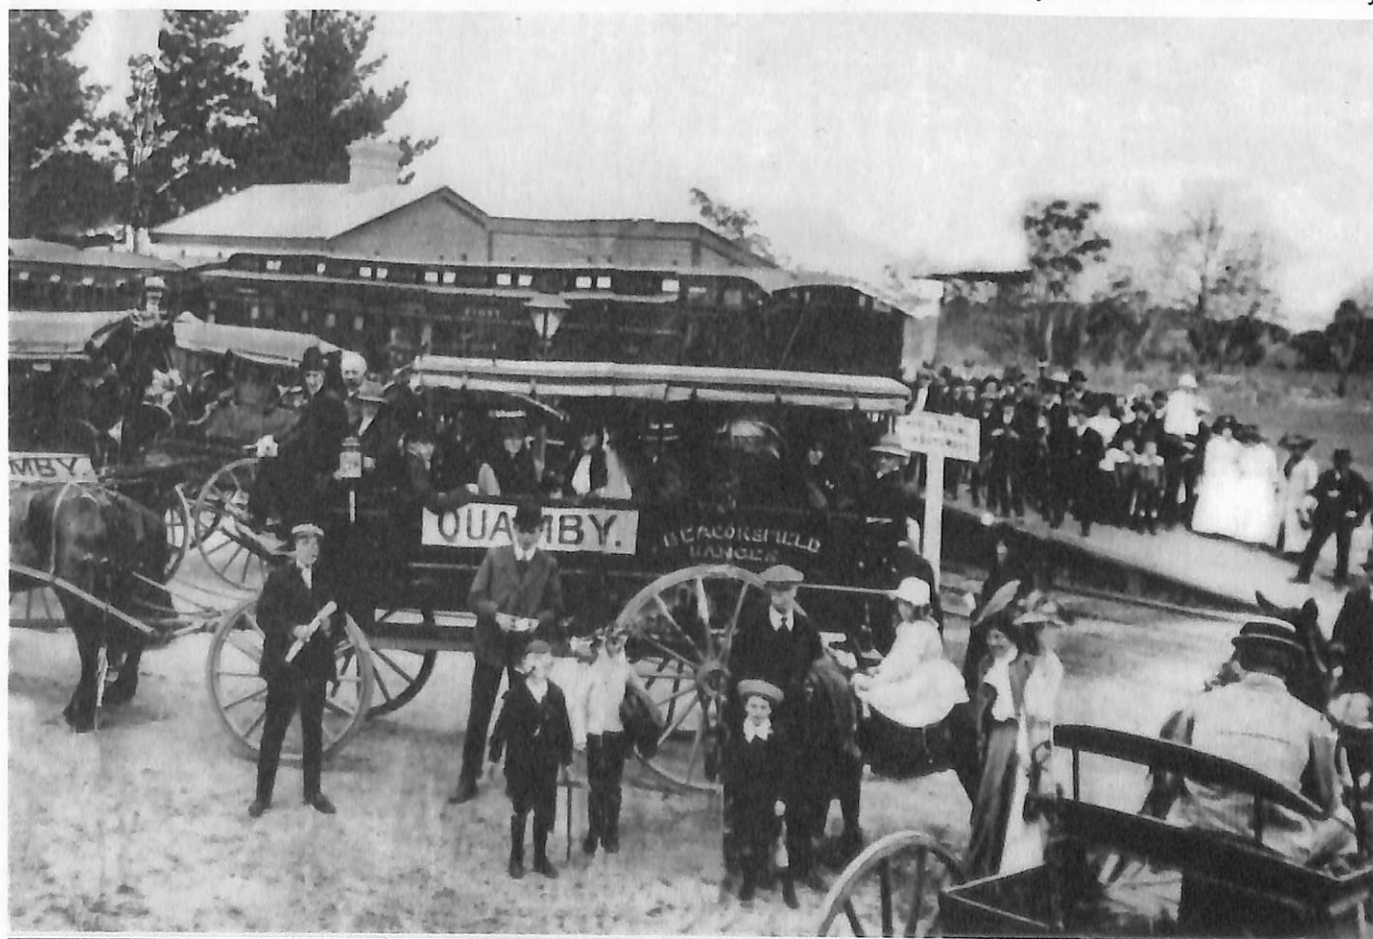

Their holdings were small, but they were able to raise pigs, sheep and cattle. They also cut and carted wood. The Beaconsfield Station had just been opened on the Sale line and this was a good mode of transport for the area. At one time Alice Barnes had a guest house in the Quamby Road house. One of the earlier historic photos shows a horse and cart at the Beaconsfield Station with the word Quamby on the side waiting for passengers to take them up to Quamby Road. (Pictured below)

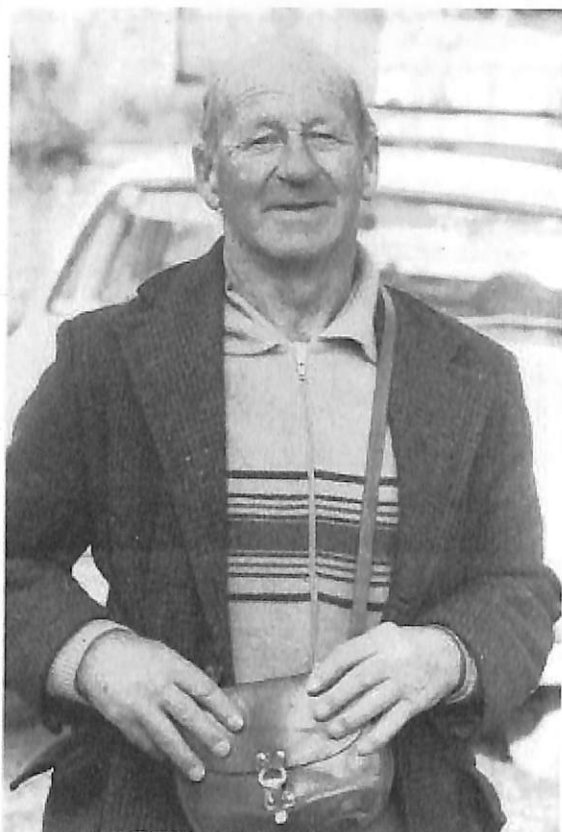

There were a number of guest houses in the Beaconsfield, Upper Beaconsfield area and these were extremely popular with the Melbournians who loved coming to this area for the lovely landscape and fresh air.

The Barnes children went to the Beaconsfield Primary School and walked each day, a long trip with poor roads.

The children grew up in the area and stayed and married locals from the area.

William born 1906 married Sarah and had five children, Masie, John, Jim, Tom and Ted. Nellie born 1908 married Leonard James and had 3 children Alan, Arthur and Robert. Frank born 1911 married Gladys and had 2 children Jeanette and Pauline. James Donald born 1912 married Jean and they had 2 children Joy and Ian. Lily May born 1914 died in infancy.

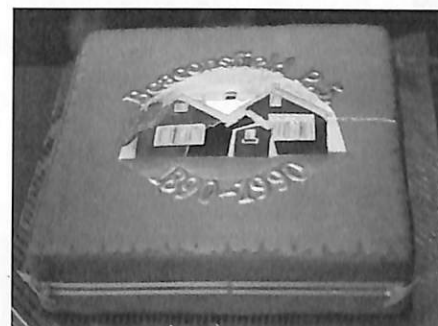

Frank Barnes was well known in the area and everyone remembers him on the gate of the football ground and he always had time for a chat and was there no matter what the weather. Later on a shelter was built at the gate to protect him from the weather. (Pictured left)

Frank's wife Gladys worked in Melbourne at the Pelaco shirt factory and then in the Grosby slipper factory in Beaconsfield on the corner of Woods Street and Beaconsfield Avenue around 1945-1951. The girls from the Grosby Factory were good friends and had Christmas parties at the Central Hotel each year. (Pictured below)

James Barnes became known by his middle name Don and worked mainly as a log contractor working with Clydesdale horses in the bush and he also owned a small 17 acre farm. His wife Jean worked as a Millinery machinist before she was married. She loved doing tapestry and long stitch pictures and knitting and sewing for her family.

The Beaconsfield Primary celebrated their centenary in 1990 and many of the families gathered on that day and Bill Barnes was honoured to cut the centenary cake. (Pictured below)

Frank Barnes at the entrance to the Beaconsfield football ground. Photo courtesy Barnes family

Lillie born 1916 married John Cooper and had 5 children Jean, Valma, John, Judith and Lynette. Henry Charles born 1917 married Dorothy and had 2 children Lawrence and Raymond. Minnie born 1923 married Harold and had 3 children Joan, June and Jan.

Thank you to the relatives of the Barnes family for providing this information.

This photo was taken approx 1946 at a Grosby Christmas break up at the Central Hotel.

Weight Management for Pets

by Beaconsfield Veterinary Centre

Did you know that almost 50% of the pet population is overweight? Carrying even a little bit of extra weight can impact the quality of life of our pets- it can reduce their ability and willingness to play, influence mobility and general health. Being overweight is a predisposing factor in several health conditions including diabetes and arthritis. A number of factors influence weight gain including genetics, the quality and ingredients of pet food, feeding habits, and exercise.

Many commercial pet foods are high in fat and salt. While both of these greatly improve taste, they also contribute to weight gain. Weight reducing diets are both high in dietary fibre and lower in calories so your pet feels more satisfied without the need to eat a larger amount of food.

In conjunction with a suitable, high quality weight reducing diet, frequent exercise plays a vital role

in assisting our pets reach their ideal weight. For cats, this may be encouraging them to follow you around the house, as well as toys to encourage play. For dogs, regular walks on different surfaces (such as sand) and different inclines provides extra resistance.

It is important to remember when feeding our pets that we should follow feeding guidelines based on their ideal weight rather than their current weight. Please do not hesitate to contact the clinic to have a friendly discussion regarding your pet's ideal weight, and appropriate feeding amount or simply come in to weigh your pet on our scales at any time!

Meet The New Annie

Back in 2010, Annie, then a 2 year old Golden Retriever, was morbidly obese weighing in at 55kg. Annie's owners had noticed her weight creeping up over time. They mentioned this to the vet during her annual health check and vaccination, looking for a solution.

Subsequently, Annie was started on a strict weight loss diet low in calories and high in fibre. Annie attended the clinic fortnightly to monitor her weight, and to adjust her dietary intake accordingly.

Fast forward to 2013, Annie is now 21kg and now has a new lease on life. Annie's owners have noticed that she is now far more energetic and happy.

TALKING WEATHER

by Nathan Boon

Weather, it's a fascinating thing. It's something we talk about every day but we can do absolutely nothing about.

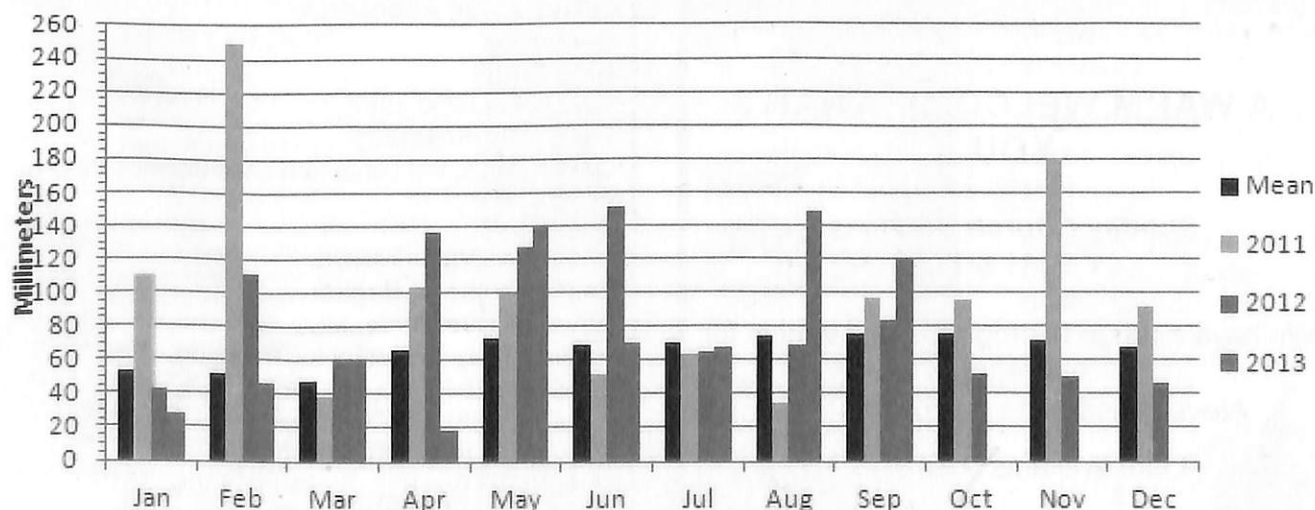

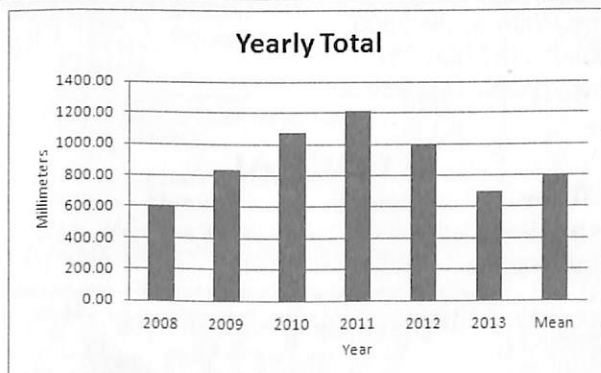

Not that long ago I was at a wedding and I was sitting next to a farmer from central Victoria and having a good chat to him. A large part of our conversation was to do with rain. He was hoping for some in the next few weeks so that his crops would be fine for the year. It is funny how 2 people can have a conversation about the same thing and it affects them in different ways. I work in retail and rain or poor weather can have a negative impact on us as they don't go shopping. There are so many things in the world we can control but weather is not one of them yet it is something we live with and discuss everyday. I wish this farmer well for the year as he did get rain when he needed it.

While on the topic of rain we have seen a lot fall in the past 2 months. It has been the wettest 2 month period (Aug/Sep) that I have in my records. We had a total of 268mm. 148mm in August and 120mm in September. The rain fell in August over 19 days. We had mostly totals around the 10mm mark. The highest total was on the 7th when 18mm fell. In September it fell over 12 days and the highest daily total was 27mm which fell on the 25th. We now have had 698mm for the year and are on track again to reach around the 900mm mark, which is above the average for Beaconsfield.

Melbourne water storage is currently at 78.9%. This is the same as last year and is on track to climb above 80% before summer is here.

BEACONSFIELD RAINFALL

These figures are taken in a home rain gauge and are not kept for the Bureau of Meteorology.

Gippsland's Best Chardonnay And Sparkling Come From Officer!

D'Angelo Estate Vineyard was awarded the 'Best Chardonnay' for the 2012 Lady Chardonnay and the 'Best Sparkling' for the 2008 Late Disgorged Blanc de Noir at the 2013 Gippsland Wine Show.

Benny D'Angelo attended the event which included over 155 entries from vineyards across Gippsland. "It is a great honour to again take out the best chardonnay and also be recognised for our premium sparkling," Benny said. "Some people play golf, I make wine, and these results improve my handicap."

This year's Gippsland Wine Show chair of Judges was Dan Buckle, senior winemaker with Chandon Winery in the Yarra Valley. Dan Buckle commented that the "traditional varieties" of the sparkling

class "stood out in the end" and awarded the Best Sparkling to D'Angelo's Late Disgorged Blanc de Noir.

D'Angelo Estate entered a total of 11 wines in this year's show and came away with a total of 9 medals, compared with 4 last year. This year, Gold and Silver medals were awarded to their 2013 Pinot Grigio, 2012 Lady Chardonnay, 2012 Ben's Shiraz, and the 2008 LD Blanc de Noir. D'Angelo Estate took bronze for their 2012 Savignon Blanc, 2013 Sauvignon Blanc, 2012 Il Berardino Pinot Noir, 2010 Il Berardino Pinot Noir, and 2010 Ben's Shiraz.

Who knows what the 2014 Gippsland Wine show will hold for the local vineyard.

BEACONSFIELD FOOTBALL CLUB

by Debbie McManus

At the time of writing, our senior team is heading into the Preliminary Final against a worthy opponent in Cranbourne. The home and away season saw a win each to Cranbourne and Beacy - then Cranbourne went on to beat us in the Qualifying Final. Our win the following week against Pakenham in the 1st Semi-Final has given us another chance to fight it out against Cranbourne and the winner of this game will head into the Grand Final against Narre Warren. The players, led by Coach Clint "Boofa" Evans and his coaching staff have had an excellent year finishing in 3rd position on the ladder

and securing themselves a well-deserved place in the Preliminary Final.

Our Reserves fought hard all year and finished in 6th place. They didn't make it to finals but we're sure they will come back stronger than ever next year for another go at it. Our thanks for a competitive year go to our players and their coach - Rod Allen together with the coaching staff and all team helpers.

Our Under 18's finished 3rd on the ladder and entered into the Qualifying Final to be defeated by Berwick. The following week they played against Cranbourne

in the 1st Semi-Final and came away with a win. They will now play against Narre Warren to fight for a place in the Grand Final game. The players, led by Coach - Ray Crozier and his coaching staff have had a fantastic year and been rewarded so far with a Preliminary Final game.

Our Development squad finished 4th on the ladder and went on to play against Mt Eliza in the 1st Semi Final and a win gave them the opportunity to line up again the following week against Berwick. After a hard fought game they went down by 8 points but can be very proud of their efforts. Our thanks for a competitive year go to our players and their coach - John Sullivan together with the coaching staff and all team helpers.

Congratulations goes to our Senior and Under 18's teams who are both going into the Preliminary Finals to fight for a chance to play in their respective 2013 Grand Final games.

By the time you read this the Grand Final games will be over and the results will be known - but right now, as this article is written - there is great excitement around the club as anticipation mounts for two do or die games. The atmosphere is electric and we wish our boys all the very best of luck for a great game of finals footy.

Beaconsfield Football Club is extremely proud of its players. They have proved themselves to be exceptional young men both on and off the field with bright futures ahead of them. Their team spirit, never quit

approach and community mindfulness continues to shine through each week and we look forward to seeing everyone return for a successful 2014 season.

Preliminary Finals

hosted at Beaconsfield

We are proud to say that we were chosen to host the 2013 Preliminary finals played on 14th September. The Casey Cardinia Football and Netball League consider our club and facilities worthy of hosting finals footy - a real achievement for our club.

Thank You to our Volunteers

Everyone knows that football clubs can't survive without the priceless help of its small army of volunteers. Although we might not get the chance to personally thank each one of you throughout the year we'd like you to know that your contribution, no matter how big or small is truly valued. There are countless jobs that need to be done for our players to take the field each week and without your help we could never survive. We sincerely thank you for everything you do.

Thank You to our Sponsors

Sponsors are the financial life blood of our club and we can't thank you enough for helping us to see another year of football. Without your financial contribution we would struggle to survive. We hope you've enjoyed all our club has to offer and that you will join with us again for another successful year in 2014.

Annual General Meeting

Our AGM will be held at 7.00pm on the 28th October at the clubrooms.

Beaconsfield Cricket Club

by N. Boon

The 2013/14 cricket season is now underway. The Beaconsfield Cricket Club is one of the largest clubs in the West Gippsland Cricket Assoc.

This season the club will field 5 senior teams as well as 6 junior teams.

The club has lots to look forward to this year. We are trying to elevate our 1st XI back to the premier grade after we were relegated last year. This will be a big challenge for us but one that we are all up for.

We will also be able to use our new training nets by about mid season. These will be a fantastic asset to the club and the ongoing works to the club rooms and the oval will make Beaconsfield Cricket Club the best club in West Gippsland.

The Milo In2 Cricket

The Milo In2 Cricket program is a fun, introductory cricket program for girls & boys aged 5 – 10 years. The program runs for 8 – 12 weeks at cricket clubs & some schools throughout Victoria during each cricket season.

Milo In2 cricket at Beaconsfield will be running again this season at the Perc Allison Oval from 4.30pm – 5.30 pm. (Start Date Monday 11 November 2013)

Registration will be held at the Perc Allison Oval from 4:30pm – 6.00pm on Monday 21 October 2013. Sausage Sizzle, and drinks provided.

Registration Cost
\$70 including kit.

SPONSORS WELCOME

The club is always looking for new sponsors and we have a number of different options that are available to you. If you are interested in sponsoring the Beaconsfield Cricket Club then please contact the Club President Steve Keam 0418 593 554

On Tuesday 10th September, we hosted our Finals Dinner at the old Perc Alison Clubrooms. Guest speaker was Karyn Howarth from Vixens and she gave an excellent insight into her netball career so far, and was very generous with her time in having photographs taken with all the players. A sumptuous dinner was dished up by Committee and Life Members and enjoyed by everyone present.

A big thankyou to all who helped out with preparation of meals, setting up, serving and packing up on the night. The players and supporters certainly appreciated your efforts.

Beaconsfield Netball Club

by Heather Studham

We hosted the Preliminary Final at our new venue in Holm Park Road. Even though we do not have Clubrooms at present, all were determined to make the Preliminary Final as good a day as possible for all those who attended to watch the netball. Wonderful weather, super matches from 13's up to A Grade, yummy food and a big crowd barracking for their respective Clubs and encouraging the players.

BAKERS BARNYARD was a big hit with the youngsters, thankyou Mat and Kylie for bringing your beautiful animals to visit. We were so proud of our netball community, everyone happy to help out in so many different ways and the number of offers of help from all areas of the club was amazing. Thank you to each and every one of you - a great job done by all.

At the time of writing Beaconsfield Netball Club have 17's, C and B Grade teams into the Grand Final next week. We wish them all the very best of luck.
